

Phocion's Performance Training Services Give Industry Professionals the True Understanding of Performance Returns

September 19, 2017

MONTREAL (CANADA) – Phocion Investment Services (Phocion) is proud to offer performance training services to investment professionals. Phocion believes that the benefits of a robust performance culture includes the following:

- A true understanding of performance returns
- Command of portfolio evaluation measures that identify strengths and weaknesses
- Tools to ask the right questions and seek the right information
- A minimization of financial risks

Phocion Founder, [Ioannis Segounis](#), is a leading authority in the area of performance measurement. He stated: "In line with Phocion's mission of elevating operating standards within the investment industry, the firm provides training services that assist in obtaining the necessary knowledge to use and improve client performance measurement accuracy. Moreover, we provide the tools to properly understand the message behind the numbers". Mr. Segounis continued: "We are a non-believer in telling our clients what we offer. Rather, we take the time necessary to listen in order to gather the information with respect to their needs. At that point we are positioned to make the best possible service proposal to meet their requirements."

Topic areas for Phocion performance training services have included:

- Performance measurement
- Benchmarks and composites
- Attribution analysis
- Performance appraisal
- Ethical standards
